Due to the closing of the Hazel Drive parking lot, we recommend other parking options for the evening. **Please bring this with you in case your first choice is not available.**

The Music Settlement: Attendees can park at The Music Settlement, located at 11125 Magnolia Drive, Cleveland. The front circle drive has limited parking that is accessible via Magnolia Drive. There is also parking available behind The Music Settlement, accessible via Mistletoe Drive. The overflow lot is also accessible via Mistletoe Drive and is across the street from The Music Settlement at the corner of Mistletoe Drive and Wade Park Avenue.

Patrons will need to walk south from Mistletoe Drive and turn right onto Magnolia Drive to walk to the Cleveland Institute of Music. From there turn left onto Hazel Drive and walk around to the front entrance of the CIM, located on East Boulevard. Total walking time is 5-8 minutes.

Cleveland Botanical Garden: Attendees are welcome to park in the Cleveland Botanical Garden garage any time AFTER 7:15 pm. The \$8 flat fee for the evening can be paid at the exit gate with a credit card or at the blue machine inside the building (Level P1) using cash or credit.

Parking Garage in University Circle: The parking garage is located at 1980 Ford Drive and is a 5-minute walk from the Cleveland Institute of Music. Head north on Ford Drive toward Hessler Road, then take a slight right onto East Boulevard. The maximum fee for the garage is \$10.
